Description of the program: The NSS Volunteers of PSVCET was involved in the clean India 2.0 campaign at Mittapalli village. Though this campaign students created awareness to the public by cleaning and collecting the garbage in the above mentioned village. Further NSS coordinator explained about the importance of cleanliness to NSS Volunteers and to the public. Because cleanliness is our right, and it is also essential whether it is our home, public areas or workplaces. It is one of the basic needs to stay civilized. The mission of Clean India 2.0 aims to eradicate open defecation throughout the country. Lots of significant efforts have been made. As per the statistics, the Government of India has built more than 10 crores of toilets across the country. The motive is to promote proper sanitation and stay healthy. Till now, 36 Indian states have been made defecation free and the mission is truly on the way to success. It has improved the quality of people living among many states. To Help the government and to make the public place clean and tidy our college has organized a program to clean our society.
