Description of the program: <p>NSS UNIT of P.S.V College of Engineering & Technology organized TRAFFIC & ROAD SAFETY AWARENESS PROGRAM on 21-01-2023 in our institution around 139 members participated in the program</p> <p>Road Safety in today's context is the most significant issue which relates to the safety of public on road. Millions of lives are lost annually throughout the world due to road accidents, resulting in huge loss of finance and resources for individuals as well as for the nation. Every year governments throughout the world spend billions on the treatment and welfare of accident victims and their rescue, if they are lucky enough to make it alive.</p> <p>There is an urgent need to make people more aware about road safety precautions and why they matter so much. Strict laws must also be implemented to enforce road safety norms. Road safety is a most common and important topic and has been added to various fields like education, social awareness, etc in order to bring more awareness in the public especially new age group people We arranged this seminar.</p>
