FUNCTION OF WELFARE COMMITTEE

The Student Welfare Committee has made the college a place to promote freedom of thought, innovation and creativity which are essential for academic excellence.

Counseling is the primary tool to find the problems faced by the students and to offer solutions comprehensively. The institution has appointed a professional psychological counselor who visits the College and gives counseling to the students in distress, in privacy. If required, parental counseling is also provided. Counseling is also given by other professional experts and experienced members of the faculty who look after the welfare of the students by helping them to cope up with stress. The students are instilled with confidence to face the highs and lows of their life. The members of this committee also tell them how to overcome the challenges troubling them, without fear and apprehension.

Functions of Students' Welfare Committee

- ❖ To offer counseling to the students to overcome their personal and family problems.
- ❖ To provide a congenial climate and atmosphere to the students to pursue their studies.
- ❖ The committee will play a key role for the student welfare.
